

Gimme All the Love You Got

Alberta Hunter

Gimme all your love daddy or let me be
this half way stuff ain?t going for me.

 Ah, gimme all the love you got,
 else you?re go?na make me hot.

I just must have it, so gimme every bit you got.

You know I don?t stand no fluff and so
I don?t want none if I can?t get it all.

 Gimme all the love you got,
 else you?re go?na make me hot.

I say I want your lov?in, so gimme every bit you got.

 If I get too greedy, just call my hand.

 But you can?t gimme any more than I can stand.
 Cuz I want all you got, cuz I can stand an awful lot.
 I want your lov?in, so gimme every bit you got.

Oh you know I?m built for comfort, I?ve got lots of speed.

 But daddy don?t ask me how much I need.
 Cuz I?ll take every bit you?ve got, I can stand an awful lot
 I want your lov?in, so gimme every bit you got.

 Oh, just like a ground hog loved his hole.

 I love you if you can satisfy my soul.
 Gimme all the love you got; wither it?s enough of not.
 Oh, I want you daddy, so gimme every bit you got.

 Oh, love me pappa and treat me rough.

 Looks like I just can?t get enough.
 Cuz I want all you got; wither it?s enough of not.
 I got to have your lovin, so gimme every bit you got.

Just go?na keep you right here by my side.

 Till I feel I?ve been satisfied.

 Daddy I say I want all you got,
 else you?re go?na make me hot.

I got to have your lov?in, so gimme every bit you got.

 You know a little bit only makes me mad.

 So gimme all cuz it?s just too bad.

I want all you got, that's the only way to touch the spot.

I want your lovin', so gimme every bit you got.
