

The Glory Of Love

New Found Glory

Tonight it's very clear
As we're both lying here
There's so many things I want to say
I will always love you
I will never leave you alone Sometimes I just forget, say things I might regret
It breaks my heart to see you crying
I don't want to lose you
I could never make it alone [Chorus]
'Cause I am a man who will fight for your honor
I'll be the hero that you're dreaming of
Gonna live forever knowing together
That we did it all for the glory of love You keep me standing tall
You help me through it all
I'm always strong when you're beside me
I have always needed you
I could never make it alone [Chorus] It's like a knight in shining armor
From a long time ago
Just in time I'll save the day
Take you to my castle far away [Chorus: x4]
