Usual

QUARTERBACKS

i have to forget
your number
because it's been getting
me in trouble
last night on the phone
i said i was ok alonebut here i am again
outside your door
predictably yours
and i know this feeling
because i've felt this way before
i'm in love as usual
when you said you loved me
did you just mean you missed me
because i don't know the difference
and these feelings get confusing
next time you visit home
maybe i shouldn't know
