Freaky In The Club

R Kelly

{Yeah, gettin' freaky in the club
Ladies, it's your boyfriend, c'mon}
Girl let me see your body go la la
Now back that thing up and make it go boomba
The way you windin' it girl don't stop
Come on baby
Gettin' freaky in the club
Girl let me see your body go la la
Now back that thing up and make it go boomba
The way you windin' it girl don't stop
Come on baby
Gettin' freaky in the club
Gettin' freaky in the club
Gettin' freaky in the club
Gettin' freaky in the club

With the pretty kush taste like honey
By the way she's windin' it on me
My goodness girl you're so freaky, you're so freaky, ooh
Girl and the way you flexing that g-string
And you got me tossing this money
I got hotel keys, wanna leave wit me?
Then baby girl hop inside

Tryna get you somewhere and grind
Because you're so fine
And I just wanna have a good time, girl
