

Feelin' Good

Christina Grimmie

VERSE 1:

Before last night, I was down on my luck
There was nothing going my way
Before last night, wasn't feeling the love
No reason for a smile on my face But I was always told, "You could turn it around,
Do it for the light of day
So get yourself together, head out on the town
The music gets you feelin' okay" REFRAIN:
Now I'm on a roll, and I'm losing control cause I got that sunshine, it's like the world is mine
I can't deny I'm feelin' good (feelin' good)
Can't stop from smiling, I'm bottled lightning
Oh, deep inside, I'm feelin' good (feelin' good) All my heartbreak, my long and rainy days
Are gone, and now I can't complain
Everything's all right, I'm feelin' so alive
I can't deny I'm feelin' good, yeah

VERSE 2:

I was so low on a Friday alone
No one even calling my phone
I looked in the mirror and I said to myself,
"Why am I still sitting at home?" REFRAIN:
Now I'm on a roll and I'm losing control, cause
I got that sunshine, it's like the world is mine
I can't deny I'm feelin' good (feelin' good)
Can't stop from smiling, I'm bottled lightning
Oh, deep inside, I'm feelin' good (feelin' good) All my heartbreak, my long and rainy days
Are gone, and now I can't complain
Everything's all right, I'm feelin' so alive
I can't deny I'm feelin' good, yeah

BRIDGE:

I got that sunshine, the world is mine
I'm feelin' good
I feel it deep inside, I can't deny
I'm feelin' good
Everything's all right, I'm so alive
I'm feelin' good, I'm feelin' good
I'm feelin' good, hey! I got that sunshine, it's like the world is mine
I can't deny I'm feelin' good, na, I'm feelin' good
Can't stop from smiling, I'm bottled lightning
Oh, deep inside, I'm feelin' good Yeah, all my heartbreak, my long and rainy days
Are gone, and now I can't complain
No, no, I can't complain

Everything's all right (all right), I'm feelin' so alive
I can't deny, oh! I got that sunshine, it's like the world is mine
I can't deny I'm feelin' good (oh, I can't deny I'm feelin' good)
Can't stop from smiling (smiling), I'm bottled lightning (bottled lightning)
Oh, deep inside, I'm feelin' good Yeah, all my heartbreak, my long and rainy days
Are gone, and I can't complain, yeah
Everything's all right (all right), I'm feelin' so alive
I can't deny I'm feelin' good, yeah
