

# When All Is Said And Done

## Trapt

You have a chance to really shine now  
Well patience never was one of your true virtues  
And stop trying to control everything  
And fuck what they say, what do you have to prove? So why am I waiting?  
This time that I'm wasting, if that's what you mean  
So why am I waiting?  
Yeah, this time that I'm wasting, if that's what you mean How will this be, when all is said and done  
Will I know where I'm from, remember me?  
Where will I be, I guess I'm on the run  
And time is catching up behind me, behind me yeah  
Behind me yeah, behind me And I'm scared to be the only one who sees  
The hourglass run dry, 'cause too much time went by  
And why do I try to prove that I will be  
Ready for everything thrown at me So why am I waiting?  
This time that I'm wasting, if that's what you mean  
So why am I waiting?  
Yeah, this time that I'm wasting, if that's what you mean How will this be, when all is said and done  
Will I know where I'm from, remember me?  
Where will I be? And I guess I'm on the run  
And time is catching up behind me, yeah How will this be, when all is said and done  
Will I know where I'm from, remember me, yeah?  
Where will I be, I guess I'm on the run  
And time is catching up behind me These thoughts trickle down  
Imaginary lines cut through the ground  
These thoughts trickle down  
Imaginary lines cut through the ground So why am I waiting?  
This time that I'm wasting, if that's what you mean  
So why am I waiting?  
Yeah, this time that I'm wasting, if that's what you mean How will this be, when all is said and done  
Will I know where I'm from, remember me?  
Where will I be, I guess I'm on the run  
And time is catching up behind me, yeah How will this be, when all is said and done  
Will I know where I'm from, remember me, yeah?  
Where will I be, I guess I'm on the run  
And time is catching up behind me
