Patient Man

Jimmy LaFave

i'm not a patient man
don't want to take it slow
ive been alone to long
i don't want to go
just so you understand
i'm not a patient mani don't want to wine and dine
and date you once or twice
i want to hold you now
i want to spend the night
you tell me a better plan
i'm not a patient man
i suppose we could talk awhile
don't think that's a waste of time
you could tell me of your life
i could tell you parts of mine
then i'm going to take you by the hand
i'm not a patient manyouve got those big blue eyes
you're pretty as can be
youve got that curly hair
you look just right to me
thats just about where i stand
i'm not a patient man
i'm not a patient man
don't want to take it slow
ive been alone to long
idon'twanttogo
just sd you understand
i'm not a patient man
