Gold Digging Whore

Steel Panther

Don't you go buyin' her dinner
Don't you buy her Gucci shoes
If it comes down to you or a pile of cash
I can tell you what she's gonna choose
The girl's gotta have 22 inch rims
On her brand new Mercades Benz
She's gonna suck all the money from your bank account
Then she'll fuck all your friends
She'll do a gangbang with your friends, yeahShe's a gold-digging whore
She's a gold-digging whore
She's a gold-digging whoreDon't you go saying you love her
That's something that you're gonna regret
She's gonna take you for a ride and then she'll bury your ass
Underneath a mountain of debt
So don't you go calling her sweetheart
Or giving her a big old rock
You're gonna turn around and catch her at the whisky bar
Sucking George Clooney's cock
Then you'll be in for a shockShe's a gold-digging whore
But atleast you'll wanna fuck her some more
She's a gold-digging whore
She's a gold-digger
She's a gold-digger
Watch her bank account get bigger and bigger
She's a gold-digger
She's a gold-digger
Fucking all the white guys and all the Persians
She's a gold-digging whore
There's a half a dozen girls you could be dating
But this one's gonna ruin your credit ratingG-O-L-D D-I-G-G-I-N-G W-H-O-R-E (I love you baby)
G-O-L-D D-I-G-G-I-N-G W-H-O-R-E
Everybody knows she's a gold-digging whore
She's a gold-digging whore
She's a cum guzzlin' sperm burpin' yellow belly money grubbin'
Making your wallet soreShe's a gold-digging whore
You can find her at the Prada store
She's a gold-digging whoreShe's a gold-digger
She's a gold-digger
Just like all the others hanging out at the bar

She's a gold-digger
She's a gold-digger
Only 98% of the stinky ones are
She's a gold-digging whore
Just like your mom
She's a gold-digging whore
Let me hear you retards spell it out
