

Black Capricorn Day (J. Dilla Remix)

Jamiroquai

[illegible]

It's just too black for me
It's just too black for me
It's just too black for me
It's just too black for me
It's just too black I'm stuck on the highway
Leading straight to Hell
Like any other drifter with a soul to sell
You know I'm dealing with the devil
In everyone I meet
And their faces tell a story,
That life ain't so sweet I'm going through a black, hey, Capricorn day
And though it doesn't seem so
I've got to get this way
I'm going through a black, hey, Capricorn day
Though you want to check me out
I'm not the man to play, play, play, play Black, hey, Capricorn day
Though it doesn't seem so
I've got to get this way
I've got to get this way
Black, hey, Capricorn day
Though you want to check me out
You wanna check me out
I'm not the man to play It's just too black for me
It's just too black for me
It's just too black for me
It's just too black
It's just too black for me
It's just too black for me
It's just too black for me
It's just too black for me
It's just too black for me
