

# Light On (from video by Mix 105.1)

David Cook

Never really said too much  
Afraid it wouldn't be enough  
Just try to keep my spirits up  
When there's no point in grieving  
Doesn't matter anyway  
Words could never make me stay  
Words will never take my place  
When you know I'm leaving Try to leave a light on when I'm gone  
Something I rely on to get home  
One I can feel at night  
A naked light, a fire to keep me warm  
Try to leave a light on when I'm gone  
Even in the daylight, shine on  
And when it's late at night you can look inside  
You won't feel so alone You know we've been down that road  
What seems a thousand times before  
My back to a closing door and my eyes to the seasons  
That roll out underneath my heels  
And you don't know how bad it feels  
To leave the only one that I have ever believed in Try to leave a light on when I'm gone  
Something I rely on to get home  
One I can feel at night  
A naked light, a fire to keep me warm  
Try to leave a light on when I'm gone  
Even in the daylight, shine on  
And when it's late at night you can look inside  
You won't feel so alone yeah Sometimes it feels like we've run out of luck  
When the signal keeps on breaking up  
When the wires cross in my brain  
You'll start my heart again  
When I come along Try to leave a light on when I'm gone  
Something I rely on to get home  
One I can feel at night  
A naked light, a fire to keep me warm  
Try to leave a light on when I'm gone  
Even in the daylight, shine on  
And when it's late at night you can look inside  
You won't feel so alone Try to leave a light on when I'm gone  
Even in the daylight, shine on

And when it's late at night you can look inside  
You won't feel so alone
