

# I know

## â–‘Placeboâ–‘

I know  
You love the song but not the singer  
I know  
You've got me wrapped around your finger  
I know  
You want the sin without the sinner  
I know  
I know[Chorus]  
I know  
The past will catch you up as you run faster  
I know  
The last in line is always called a bastard  
I know  
The past will catch you up as you run faster  
I know  
I knowI know  
You cut me loose in contradiction  
I know  
I'm all wrapped up in sweet attrition  
I know  
It's asking for your benediction  
I know  
I know[Chorus: x2]
