

Links On The Chain

The Broadside Singers

Come you ranks of labor, come you union core,

C D A

And see if you remember the struggles of before,

F#m D E

When you were standing helpless on the outside of the door

Bm E A

And you started building links on the Chain.

Bm D E A

On the Chain, you started building links on the Chain.

When the police on the horses were waitin' on demand,

ridin' through the strike with the pistols in their hands,

Swingin' at the skulls of many a union man,

As you built one more link on the chain, on the chain,

As you built one more link on the chain.

Then the army of the fascists tried to put you on the run,

but the army of the union, they did what could be done,

Oh, the power of the factory was greater than the gun,

As you built one more link on the chain, on the chain,

As you built one more link on the chain.

And then in 1954, decisions finally made,

The black man was a-risin' fast and racin' from the shade,

And your union took no stand and your union was betrayed,

As you lost yourself a link on the chain, on the chain,

As you lost yourslef a link on the chain.

And then there came the boycotts and then the freedom rides,

And forgetting what you stood for, you tried to block the tide,

Oh, the automation bosses werre laughin' on the side,

As they watched you lose your link on the chain, on the chain,

As they watched you lose your link on the chain.

You know when they block your trucks boys, by layin' on the road,

All that they are doin' is all that you have showed,

That you gotta strike, you gotta fight to get what you are owed,

When you're building all your links on the chain, on the chain,

When you're building all your links on the chain.

Amd the man who tries to tell you that they'll take your job away,
He's the same man who was scabbin' hard just the other day,
And your union's not a union till he's thrown out of the way,
And he's chokin' on your links of the chain, of the chain,
And he's chokin' on your links of the chain.

For now the times are tellin' you the times are rollin' on,
And you're fighting for the same thing, the jobs that will be gone,
Now it's only fair to ask you boys, which side are you on?
As you're buildin' all your links on the chain, on the chain,
As you're buildin' all your links on the chain
