## Trevor Hall

Like a hero in the hunter  
Aiming for the thunder  
All of this I wander  
Shadows on the skyLike a hero in the hunter  
Aiming for the thunder  
All of this I wander  
Shadows on the skyYeah, well everybody saying this unknown  
Feel like a fool and I admire you all  
Let me tell you darling I don't wait  
I stay wake when all the countries sleeps  
And to the sun not forever road  
I'm burn it down brake it out of stone  
I let the king pull back that boom  
And give a rest to the soul  
Like a hero in the hunter  
Aiming for the thunder  
All of this I wander  
Shadows on the skyLike a hero in the hunter  
Aiming for the thunder  
All of this I wander  
Shadows on the skyWhat is it like when it's turned around  
The hoop goes up and the brandies down  
New man speak and they sing of crowd  
Is only the feeless, only the feeless,  
Some other know of a love so deep  
Tell me how this grow this great big scene  
If you know that song that is lading on fire  
Come higher  
Like a hero in the hunter  
Aiming for the thunder  
All of this I wander  
Shadows on the skyLike a hero in the hunter  
Aiming for the thunder  
All of this I wander  
Shadows on the skyLike a hero in the hunter  
Aiming for the thunder  
All of this I wander  
Shadows on the skyLike a hero in the hunter  
Aiming for the thunder

All of this I wander  
Shadows on the sky
