

Sweet Verona

Della Mae

GGCG

Verona left when she was only 16

Em Em D D

Gave no reason but needing to fly

GGCG

She joined up with a traveling band, and lady luck she took her hand

DDGG

Left all her demons behind

She wove her unabashed story all through the south

Verona she carried the truth of a child

She was a gypsy queen, her hair a raven sheen,

She made love so strong and wild.

Chorus

CCGG

Now theyâ€™re bringing her home, sweet Verona

EmEmC (quick)GG

She got her very own box in which to lay,

CCGG

Now theyâ€™re bringing her home, from Louisiana,

EmEmDG

And halleluah lord, sheâ€™s home to stay

Kept all the postcards that she sent to me

Passed our way only once more,

When mama died she stood just outside of the church,

But she was gone when I ran out the door

Chorus

Now theyâ€™re bringing her home, sweet Verona,

She got her very own box in which to lay,

Now theyâ€™re bringing her home, from Louisiana,

And halleluah lord, sheâ€™s home to stay

Dawn as she died, said they found her that way,

Covered in the jewels that she bought at the pawn,

They say her fire burned so bright that it kept her alive,

And it burned til she was gone

Chorus

Now theyâ€™re bringing her home, sweet Verona,
She got her very own box in which to lay,
Now theyâ€™re bringing her home, from Louisiana,
And halleluah lord, sheâ€™s home to stay
And halleluah lord, sheâ€™s home to stay
