

Shakin' All Over

Generation X

When you move in right up close to me
That's when I get the shivers all over me
Shivers down my backbone
I get the shakes in the thighbone
Shivers in my knee bone, shakin' all over Just the way you say goodnight to me
There's a feeling on the side of me
Shivers down my backbone
I got the shakes in my thighbone
Shivers in my kneebone, shakin' all over Just the way you say goodnight to me
Brings a feeling I'm inside of me
Shivers down my backbone
I've got the shakes in my thighbone
Oh baby, shivers in my knee bone, I'm shakin' all over I'm shakin' all over, I'm shakin' all over, I'm shakin' all
over
Oh shakin' all over, oh shakin' all over, oh shakin' all over
Oh shakin' all over, oh shakin' all over, oh shakin' all over
Oh, oh, oh, oh
