One Night Stand

Jazmine Sullivan

Hey, I met him at the bookstore
He said he'd like to get to know me just a little more
Asked me to dinner, I said Ill bring my girlfriend
He said thats cool cause he was gonna bring his best friendBut something happened that I wasnt expectin
His best friend, all night, had my attentionKnew it was wrong, I couldn't help it
And I don't care, I'm being selfish
Know what I want and I want your best friend
Aint gonna front, uh uh, I've got you best friend
Hey boy, I think I like your best friend
Would you mind if I dined with your best friend, aw, switch?And you can take my girlfriend
I hardly know ya, so, there is no attachments
You take my chair, Ill sit right there, lets see how that feels
And dont be mean and make a scene, it aint a big dealCause something happened that I wasn't expectin
His best friend, all night, had my attentionKnew it was wrong but I couldn't help it
And I don't care I'm being selfish
Know what I want and I want your best friend
Aint gonna front, uh uh, I've got you best friend
Hey boy, I think I like your best friend
Would you mind if I dined with your best friend, aw, switch?You see baby, it really aint a big deal, switch
I mean you a nice guy and all, switch
But if I met him when I met you, switch
He probably woulda got the phone callDont make no sense
To leave with the wrong guy
If ya best friend
Could be the love of my lifeKnew it was wrong, I couldn't help it
And I don't care I'm being selfish
Know what I want and I want your best friend
Aint gonna front, uh uh, I've got you best friend
Hey boy, I think I like your best friend
Would you mind if I dined with your best friend, aw?Something happened unexpected, come on
She didn't think that this would happen, lets go
She liked this guy, had a connection, alright
But it was with her date's best friendHa, ha ha, ha, who would have guessed this?
That she [Incomprehensible]
Aw, switch, oh come on, switch
Oh, oh lets go, switch, oh alright, switchOh yeah, hey boy, I think I like your best friend
Would you mind if I dined with your best friend, bitch?
