

# Sleeping Satellite (Acoustic Version)

Tasmin Archer

I blame you for the moonlit sky  
And the dream that died with the Eagle's flight  
I blame you for the moonlit nights  
When I wonder why are the seas still dry?  
Don't blame this sleeping satellite

Did we fly to the moon too soon?  
Did we squander the chance?  
In the rush of the race  
In the reason we chase is lost in romance  
And still we try  
To justify the waste  
For a taste of man's greatest adventure, woah

I blame you for the moonlit sky  
And the dream that died with the Eagle's flight  
I blame you for the moonlit nights  
When I wonder why are the seas still dry?  
Don't blame this sleeping satellite

Have we lost what it takes to advance?  
Have we peaked too soon?  
If the world is so green  
Then why does it scream under a blue moon?  
We wonder why  
If the earth's sacrificed  
For the price of its greatest treasure, woah

I blame you for the moonlit sky  
And the dream that died with the Eagle's flight  
I blame you for the moonlit nights  
When I wonder why are the seas still dry?  
Don't blame this sleeping satellite

And when we shoot for stars  
What a giant step  
Have we got what it takes  
To carry the weight of this concept?  
Or pass it by like a shot in the dark?

Miss the mark with a sense of adventure, woah

Woah-oh-oh-oh-oh, yeah, yeah  
Woah-oh-oh-oh-oh, yeah, yeah  
Don't blame this sleeping satellite

I blame you for the moonlit sky  
And the dream that died with the Eagle's flight  
I blame you for the moonlit nights  
When I wonder why are the seas still dry?  
Don't blame this sleeping satellite

Woah-oh-oh-oh-oh, yeah, yeah  
Woah-oh-oh-oh-oh, yeah, yeah  
Don't blame this sleeping satellite

Woah-oh-oh-oh-oh, yeah, yeah  
Woah-oh-oh-oh-oh, yeah, yeah  
Don't blame this sleeping satellite
