

Arm And Hammer

Clap Your Hands Say Yeah

Amanda said you have to go
Amanda said it's time to go
She said I'm tired of being homeless, restless.

I confess

I am wrong

Listen, we are

Listen, we are

Listen, we are

We're

All

Talk

Talk

Mission we're on

Mission we're on

Mission we're on

Big

Dumb

Cock

Cock

Heaven be good

Heaven be good

Heaven be good

Hell

Stand

Up

Up

Mission we're on

Mission we're on

Mission we're on

Big

Dumb

Cock
