

Thank You

Chevelle Franklyn, Lady G & Lady G

Oh God! (We give you all the glory)
Showers of blessing (Hey-yeee-yes!)
All the praises we can (Hey-yeee-yes!)

Oh Lord, when we look at where weâ€™re coming from
And where we are today, yes
We gotta say thank you, thank you
And Lord, yes you promise to deliver us
Guide us in every way-aaay
We gotta say thank you, thank you
Thank you Lord

And mi nah stop thank him
For waking me this morning
Thank him, for carrying me through the day
Thank him, for all of his blessing
I will humble, I will never go astray

Who mi ah talk bout? Di Almighty King
Who give us life and that's the greatest thing
I know Jah is real and I can feel him
So with the love inna mi heart mi express muh feeling

Oh Lord, you have been so good to us
We give you all the praaaaise
We gotta say thank you, thank you
And God, we love you and adore you
We stay by your sii-iide
We gotta say thank you, thank you
Thank you Lord

Sometimes we pray and think our prayer nuh answer
Have faith stay strong, with God you can't suffer
Just remember everyone have burden to bear but,
Almighty nah give you more than your share
Through the powers of Jah that's why mi ah strive
Him guard mi head, back, and him control mi life
Anything mi want mi know he will provide
That's why mi nah go leave by the Almighty side

Though the road is rough and rugged, you brought us through
When times seems down and out, you show us what to do
(Just call upon him)
When the road seems rough and rugged, you brought us through
(He will never let us down)
When time seems down and out, you show us what to do

Oh Lord, when we look at where weâ€™re coming from
And where we are todaaaay
We gotta say thank you, thank you
And Lord, yes you promise to deliver us
Guide us in every way-aaay
We gotta say thank you, thank you
Thank you Lord

Mi haffi thank him, for waking me this morning
Thank him, for carrying me through the day
Thank him, for all of his blessing
I will humble, I will never go astray

Who mi ah talk bout? Di Almighty King
Who give us life and that's the greatest thing
I know God is real and I can feel him
So with the love inna mi heart mi express muh feelings

Oh Looord! You have been so good to us
We stay by your sii-iide
We gonna say we love you, love you!
And Lord, yes you promise to deliver us

Thank him, for waking me this morning
Thank him, for carrying me through the day
Thank him, for all of his blessing
I will humble, I will never go astray

Thank you Jesus! (For the shoes on my feet)
Thank you Lord! (For the food that we eat)
(For my clothes on my back)
(For everything that I've got)

Thank you Lord! (We can never stop)
Thank you Lord! (Just love you like that)
Thank you Lord! (You give me all the ??? back)

Thank you Lord! Thank you Lord!
