Face in the Crowd

Cat's Eyes

I'm just a face in the crowd
You probably don't know me as I don't stand out
And I'm sure your heart doesn't beat for me, no
And when you're cold and lonely
They are not my arms you long to feel around you
To keep you safe and warm
No, I'm just a face in the crowd you can't see
Save a little love for me
Save a little love for me, yeah
Save a little love for me, yeah, yeah, yeah
And I'll save my love for you, my face in the crowd
I don't know your name and you don't know mine
Yet I'm wearing our initials round this heart of mine
I don't need no proof to know that you are there, yeah
My heart is strong and my wings are wide
I'm true to all my colors and I wear them all with pride
I am your face, your face in the crowd
So save a little love for me, yeah
Save a little love for me, yeah
Save a little love for me, yeah, yeah, yeah
'Cause I'll save my love for you, my face in the crowd
In the twilight sometimes we meet
Just before we wake or as we fall asleep

I still can't see your face and I know you can't see mine
But I can feel your heartbeat, you can hear my voice
You touch my soul and my soul touches yours
And we make a promise somewhere down the line
Somewhere down the line
So save a little love for me, yeah
Save a little love for me, yeah
Save a little love for me, yeah, yeah, yeah
And I'll save my love for you
All my love, my love, my face in the crowd
I don't know the color of your skin
But I've felt the love that lies within
And I'm sure I know without a doubt
I'll find your face in the crowd
I'll never let this feeling slide

And no one can put my faith aside
I'm sure I know without a doubt
I'll find your face in the crowd
Your face in the crowd
I'll find your face in the crowd
Oh, your face in the crowd
I'm just a face in the crowd
You probably don't know me as I don't stand out
