

# Fell Out

## Bleach

What's wrong with me, I just been layin' around  
Wishin' it'd be like it was before I fell out  
Now is there any chance, that I can find romance  
Like we had back then, oh I want it again You said, you'd hold on to me  
You always wanted for it to be oh, oh  
You said, you'd never let go  
So now I want you to know, that I can't stand it  
I am sorry, I know I walked out on you What's wrong with me, I just can't figure it out  
No motivation to change it since I fell out  
So is there any chance  
That I can make amends for what I've become I know you are the one that said you'd hold on to me  
You always wanted for it to be oh, oh  
You never ever let go  
So now I want you to know, that I can't stand it  
I am sorry, I know I walked out on you and I been hopin' this ant hopeless  
I been dreamin' that you know this much is true  
I'm still in love and I, I been dreamin'  
That this thing won't lose its meaning  
Tell me what I've got to do, I'm so in love What's wrong with me, I just been layin' around  
Wishin' it'd be like it was before I fell out  
What's wrong with me, I just been layin' around  
Wishin' it'd be like it was before I fell out What's wrong with me, I just been layin' around  
Wishin' it'd be like it was before I fell out  
What's wrong with me, I just been layin' around  
Wishin' it'd be like it was before I fell out
