Unforgiven

Young Rebel Set

Well could I love you more? Well I don't know
How much bigger could one heart grow?
Well I know I've always been the reckless type
But it doesn't mean I will be all my lifeI've taken it too far I know this time
I've done you wrong I've overstepped the line
And apologies they mean nothing now at all
And I've lost my right to stand now I must crawlSo until then, I will remain unforgiven in her eyes
Until then, I will remain unforgiven
I've dug myself a hole from which I can't climb
It's too dark and deep for this time
And I'm reaching for some grip along the sides
But I'll have to ride it out 'til higher tidesSo, until then, I will remain unforgiven in her eyes
Yeh, until then, I will remain unforgivenAnd I know that I should strive to give you more
And I give up feeding bullets for domestic war
And priorities I know now they have changed
And the way I waste my time must be rearranged
So I'm repenting in the only way I know how
In my actions and in my unholy vow
And I'll never walk this rotten road again
For I know that all I love will be slainSo, until then, I will remain unforgiven in her eyes
Yeh, until then, I will remain unforgiven in her eyes
Yeh, until then, I will remain... unforgiven
