

Pick Yourself Up

[Diana Krall](#)

Nothing's impossible, I have found
For when my chin is on the ground
I pick myself up, dust myself off
Start all over again Don't lose your confidence if you slip
Be grateful for a pleasant trip
And pick yourself up, dust yourself off
And start all over again Work like a soul inspired
Till the battle of the day is won
You may be sick and tired
But you'll be a man my son Don't you remember the famous men
Who had to fall to rise again?
They picked themselves up, dust themselves off
And started all over again Work like a soul inspired
Till the battle of the day is won
You may be sick and tired
But you'll be a man my son Don't you remember the famous men
Who had to fall to rise again?
They picked themselves up, dust themselves off
And started all over again Start all over again
