

# Lopin' Along Thru the Cosmos

Judee Sill

Lopin' along through the Cosmos  
And sideways I slide through the square  
I'm hopin' so hard for a kiss from God  
I missed the sweet love of the air...A silver chariot soars  
Thru mercury ripples of sky  
I'm lookin' so hard for a place to land  
I almost forgot how to fly.....So keep on movin'  
Or stay by my side, either way,  
I'll tell you a secret  
I've never revealed  
However we are is o.k.
