

# Talking in His Sleep

Toni Braxton

So you know everything about your lover  
Wanna bet? My, oh my  
How can this be?  
There he goes talking in his sleep  
By, oh by  
He will connive  
Does he know he's talking in his sleep? The affair, okay  
He's corrupt  
What do I do, what do I say?  
I feel ashamed, embarrassed, fatigued  
Such a petty crime of sexual indiscretion At night when he lays down  
How I wish I could not hear the sound?  
But I could  
Oh the things that he said My, oh my  
How can this be?  
There he goes talking in his sleep  
By, oh by  
He will connive  
Does he know he's talking in his sleep? 'Adultery', that's what they call it  
When you're married, tell me somethin'  
Why is it that the men are forgiven and the women aren't?  
I don't know maybe, maybe I should forgive him  
Maybe I'm over reacting, what do you think, I'm not? The promises he made  
Said, "We'll be together for always"  
He's such a liar  
Then he calls out her name My, oh my  
How can this be?  
There he goes talking in his sleep  
By, oh by  
He will connive  
Does he know he's talking in his sleep? Guilty secrets  
They are haunting my life  
And he doesn't even know that I know  
Can you hear him? The promises he makes  
Said, "We'll be together for always"  
He's such a liar  
Then he goes out to burn me  
Somebody help me, help me My, oh my  
How can this be?

There he goes talking in his sleep  
By, oh by  
He will connive  
Does he know he's talking in his sleep?
