

Love Calling

Leon Patillo

Sun goes down, I rise
Red hair flames so bright
Iced gin breaks the night Steal into her mind
Walk without a sound
Fire in the mountains now If you wanna rub-a-dub, rub-a-dub
If you wanna rub-a-dub, dub love
Love calling, love calling If you wanna rub-a-dub, rub-a-dub
If you wanna rub-a-dub, dub love
Love calling So baby rock on
Clap hands, clap hands
For the song man
Rock on, rock on Ooh, baby rock on
Clap hands, clap hands
For the song man
Rock on, rock on Song man dreams for you
Moves his clapping space
Turns us into snakes, hot hits And the blue moon move, move, move
Move until we die
Move until she cries If you wanna rub-a-dub, rub-a-dub
If you wanna rub-a-dub, dub love
Love calling, love calling If you wanna rub-a-dub, rub-a-dub
If you wanna rub-a-dub, dub love
Love calling
Ooh baby, rock on If you wanna rub-a-dub, rub-a-dub
If you wanna rub-a-dub, dub love
Love calling, love calling If you wanna rub-a-dub, rub-a-dub
If you wanna rub-a-dub, dub love
Love calling Ooh baby, rock on
Clap hands, clap hands
For the song man
Rock on, rock on Ooh baby, rock on
Clap hands, clap hands
For the song man
Rock on, rock on Ooh baby, rock on
Clap hands, clap hands
For the song man
Rock on, rock on
Ooh baby, rock on
