

Can't Get It Out Of My Head

Velvet Revolver

Midnight, on the water
I saw the ocean's daughter
Walking through the burnin' rain
Happy just to know her name
And I can't get it out of my head
No, I can't get it out of my head
Now my whole world is gone for dead
'Cos I can't get it out of my head
Breakdown on the shoreline
Can't move, I feel paralyzed
Morning don't get here tonight
Searching for her silver light
And I can't get it out of my head
No, I can't get it out of my head
Now my whole world is gone for dead
'Cos I can't get it out of my head, out of my head
Bank job in the city
Robin Hood and William Tell and Ivanhoe and Lancelot
They don't envy me, sitting still, I want to drown
In my dream the world keeps going 'round and 'round
And I can't get it out of my head
No, I can't get it out of my head
Now my whole world is gone for dead
'Cos I can't get it out of my head, out of my head
