

# Fool Us Today

## Mr. Big

They say it's not the money, you know it's not the money  
Can you figure out what you want, what you need?  
They try to pump it up, forget about the facts  
Sometimes it hurts but it's never taken back  
The left is right, the right is left  
Oh yeah, I gotta get this thing right off my chest  
Now black, white and gray  
What can you do, what can you say?  
How can they fool us today?  
Hold your head up high, laugh till you cry, anyway  
How can they fool us today?  
Hey, hey, hey, hey  
Talkin' twenty-four, seven, we're losin' what we're gettin'  
They slap you down with a call from up above  
It's a window to the world, a word to every man  
Just gettin' it up, we'll all do what we can  
They do it all for you, much better than the rest  
Hey, it's alright if you can pass the test  
Black, white and gray  
What can you do, what can you say?  
How can they fool us today?  
Hold your head up high, laugh till you cry, anyway  
How can they fool us today?  
Hey, hey, hey  
It's all good news, we can buy and sell  
Yeah, don't stop now, you can unring a bell  
Black, white and gray  
What can you do, what can you say?  
How can they fool us today?  
Hold your head up high, laugh till you cry, anyway  
How can they fool us today?  
Hey, hey, hey  
Black, white and gray  
What can you do, what can you say?  
How can they fool us today?  
Catch the falling sky, we're all gonna die anyway  
How can they fool us today?  
How can they fool us today?  
How can they fool us today?
