## **Danny Boy**

## G4

Oh, Danny Boy, the pipes, the pipes are calling
From glen to glen and down the mountain side
the summer's gone and all the roses falling
It's you, it's you must go and I must bide.But come ye back when summer's in the meddows

Or when the valley's hushed and white with snow Yes i'll be there in sunshine or in shadow

Oh Danny boy, oh Danny boy, I love you so.But when ye come and all the flowers are dying And I am dead, as dead I well may be

Ye'll come and find the place where I am lying

And kneel and say an ave there for meAnd I shall here though soft you tread above me

And all my grave will warmer sweeter be

For you will bend and tell me that you love me

And I shall sleep in peace until you come to me.(Instrumental)And I shall here though soft you tread above me

And all my grave will warmer sweeter be

For you will bend and tell me that you love me

And I shall sleep in peace until you come to me. And I shall here though soft you tread above me

And all my grave will warmer sweeter be

For you will bend and tell me that you love me

And I shall sleep in peace until you come to me. And I shall sleep in peace until you come to me.
