

The Border (Feat. Wyclef Jean)

Shakira

he night is so young (the night is so young)
The stars are so bright (the stars are so bright)
love, the way that i'm feelingGotta work on my seduction if you wanna get it on
But if you think that I'm an easy catch, you're dead wrong
Gotta work on my seduction if you wanna get it on
But if you think that I'm an easy catch, you're dead wrongCan I buy you a drink?
ain't what you think
I'm Superman you can be my Lois Lane
I don't care if you're the only single man on Earth
Don't be sure you're getting lucky tonight
Don't beGotta work on my seduction if you wanna get it on
But if you think that I'm an easy catch, you're dead wrong
Patience ain't a friend of mine
you and me, you ain't the only one in line
If you wash it boy, let it dry, let it dry
I got the recipe
Gotta cook it slowly
See I'm your remedy
If you want to succeed
Just let the girl take the lead
dammit just for once in your lifeThe night is so young (the night is so young)
The stars are so bright (the stars are so bright)
love, the way that i'm feelingEh can I buy you a drink
Still ain't changed your mind
I got a plan
To make you mine
If you rush it I don't like it
Dont you understand?
All the good things
Need some effort and take some timeGotta work on my seduction if you wanna get it on
But if you think that I'm an easy catch, you're dead wrong
Patience ain't a friend of mine
You and me, you ain't the only one in line
If you wash it boy, let it dry, let it dry
I got the recipe
Gotta cook it slowly
See I'm your remedy
If you want to succeed
Just let the girl take the lead

dammit just for once in your life
The night is so young (the night is so young)
The stars are so bright (the stars are so bright)
love, the way that i'm feeling
x-ray i can see your insides
Turn around girl, lemme see your bad side
Stop, I'm tryna be good, I'm tryna be good
you good? I'll be the bad man
Steal your heart in the middle of the night and
(something about hips)
Shaki on the mic
(something else about hips)
Gotta work on my seduction if you wanna get it on
But if you think that I'm an easy catch, you're dead wrong
Gotta work on my seduction if you wanna get it on
But if you think that I'm an easy catch, you're dead wrong
Oh this is the place I've dreamt
For we both, this is the place I've dreamt my love
