End Of The Dream

Evanescence

I found a grave
Brushed off the face
Felt your light
And I remember why I know this place...

I found a bird
Closing her eyes
One last time
And I wonder if she dreamed like me...

Well, as much as it hurts
Ain't it wonderful to feel?

So go on and bring your wings
Follow your hearttTill it bleeds
As we run towards the end of the dream...

I'm not afraid
I push through the pain
And I'm on fire
I remember how to breathe again...

As much as it hurts
Ain't it wonderful to feel?

So go on and bring your wings
Follow your heart till it bleeds
As we run towards the end of the dream...

Why must we fall apart to understand how to fly?
I will find a way even without wings...

Follow your heart till it bleeds
As we run towards the end of the dream...

Follow your heart till it bleeds
And we've gone to the end of the dream...
