Nothing Left To Say

Staind

Talk To Me
You Never
Talk To Me
Do We Suffer
From
Social Atrophy
And When The Conversation's Over
When The Conversation's OverWe've Taken What's Been Given
And We Throw It All AwayWalk With Me
Come On And
Walk With Me
Take A Look
Around You
Do You Like
What You SeeWe've Taken What's Been Given
And We Throw It All Away
It's Hard To Be Forgiven
When There's Nothing Left To SayWhen The Conversation's Over
The Silence Just Gets In The Way
Conversation's OverTalk To Me
Don't Ever
Talk For MeWe've Taken What's Been Given
And You Throw It All Away
It's Hard To Be Forgiven
When There's Nothing Left To SayThere's Nothing Left To Say
