

Body On Me (Feat. Ashanti & Akon)

Nelly

[Chorus]

The way that you walking, the way that you talking
You're the one I want to spend this night with
Trying to get in them drawers and bang it out til the morning
I can already tell you want it
Cause you shaking it all for me, giving it all to me
Rubbing that body on me
Keep on shaking it all for me, giving it all to me
Rubbing that body on meHey boy
I think I just might wanna come see you tonight
And you can have your way boy
I know its been a while since you made my body right
Now I've been waiting patiently, anticipating you and me
And it ain't no question cause boy I love you when you put that body on me[Chorus]Hey how you doing mama
I need to know your name
You giving me the eye eye
I'm giving you the same
It just hit me right now
What we should do today
Go tell you friends bye bye
And lets go hop a plane
Its no mistaken the attractions ironic
I wanna make you someone more then just a a bone in my closet
I wanna win that type of relationship
Where you gon' wanna come hang when your man done trip
You say your short this month and you're late on your rent
He took your car, what you mean? Hold this
Hey hey you see oh
You see lil mama outta control[Chorus]Now I see you lookin' at my body baby
Now you wanna come and put it on me
If I gave it to you, could you promise me
That you could make it feel like it never did
'Cause I see (I see), and you see (you see)
Now if I please you (I please you), you please me (you please me)
Now I ain't the one in no relationship,
And I ain't tryna be the other chick (I know you want it)[Chorus]
