Bye-Bye

Gilbert O'Sullivan

I've only this to say to you
Know why
Good bye, bye, byeMy loneliness endears it
But so do I
Good bye, bye, byeYou'd think by now that somehow
You'd have changed
Long range, no changeForget me now
You know how I, will you?
Will you? Please doI've only this to say to you
Know why
Good bye, bye, bye, bye, bye, bye, byeForget me now
You know how I, will you?
Will you? Please doI don't know why, sometimes I lie
Other times I tell the truth
Sometimes even out of spite
I'm uncouth
