

Doomsday

Kasabian

Doomsday
I am not prepared to go
There's no way I'm going
I'm never gonna show
Some say
It gets better after this
Waiting for a better life
I'm waiting to get pissed What you see is what you get with me
Uh-oh
What you see is what you get with me
Uh-oh
What you see is what you get with me
Uh-oh
What you see is what you get I can take you to places that you've never ever seen,
Take you to a world where you live inside a dream
And if you wanna go there
I will take you to the top,
Leave it all behind, we're never gonna stop We live and we die
We reach for the sky
We hold our heads high
We hold our heads high
We live and we die
We reach for the sky
We hold our heads high
We hold our heads so high What you
What you gotta say to me?
The dead will never be alive
But the dead will always be
So here it is
Here is everything you need
By the time you realize
I'll be sailing on the breeze What you see is what you get with me
Uh-oh
What you see is what you get with me
Uh-oh
What you see is what you get with me
Uh-oh
What you see is what you get What you see is what you get with me
Uh-oh

What you see is what you get with me
Uh-oh
What you see is what you get with me
Uh-oh
What you see is what you get I can take you to places that you've never ever seen,
Take you to a world where you live inside a dream
And if you wanna go there
I will take you to the top,
Leave it all behind, we're never gonna stop
Never gonna stop, never gonna stop, never gonna stop We live and we die
We reach for the sky
We hold our heads high
We hold our heads high
We live and we die
We reach for the sky
We hold our heads high
We hold our heads so high What you see is what you get with me
Uh-oh
What you see is what you get with me
Uh-oh
What you see is what you get with me
Uh-oh
What you see is what you get
What you see is what you get with me
Uh-oh
What you see is what you get with me
Uh-oh
What you see is what you get with me
Uh-oh
What you see is what you get
