Gotta Go Back

Solid Rock Baptist Church Teen Choir

"GOTTA GO BACK"
Solid Rock Baptist Choir

There are times when I feel down and out
When I let my burdens take away my shout
When I'm struggling in the valley of despair
And I cannot find the glory anywhere
I take a little journey in my mind
To another place, another time

(Chorus)
Gotta go back to the place where God's amazing grace
Came to me, Long ago
Gotta return to the glory
Chapter one of the story
Gotta go back to the day He saved my soul

Many years ago there was a wayward son
He was so ashamed of all the things he'd done
Off his family, he wandered far away
And he dreamed about a glad reunion day
As a light's home finally turned his head
A prodigal surely must have said

(Chorus)
Gotta go back to the place where God's amazing grace
Came to me, Long ago
Gotta return to the glory
Chapter one of the story
Gotta go back to the day He saved my soul

It was on a happy day, when Jesus touched me (3x)
When Jesus saved my Soul

(Chorus)
Gotta go back to the place where God's amazing grace
Came to me, Long ago
Gotta return to the glory
Chapter one of the story
Gotta go back to the day

To that happy day
Gotta go back to the day He saved my soul
