

# Diamonds to Dust

**Dan Fogelberg**

Diamonds to Dust  
Oh, Diamonds to Dust  
Time can turn even  
Diamonds to Dust Love is a question  
That few understand  
It runs like a river  
Between a woman and man  
But its course can get twisted  
And its bed can run dry  
And our hearts become deserts  
In the wink of an eye Once there was love here  
And once there was trust  
Once it was honest  
And open and just  
Our love was a diamond  
That grew between us  
But time can turn even  
Diamonds to Dust [Chorus:]  
Diamonds to Dust  
Oh, Diamonds to Dust  
Time can turn even  
Diamonds to Dust  
Time is a teacher  
It's kind and it's cruel  
It gives you the wisdom  
To see you're a fool  
And it gives love and takes love  
It hurts and it heals  
And it never parts easy  
With the truth it reveals
