

# COURTSHIP II

## HEALTH

You hurt so much, you hurt someone  
You hurt so much, you hurt someone  
You hurt so much, you hurt someone  
You hurt someone for what you want  
You hurt so much, you hurt someone  
You hurt someone for what you want We dream colors of promises we broke  
We dream colors  
We're honest when we're born  
We dream colors of promises we broke  
We dream colors
