

# The Weight Of My Words

## Kings of Convenience

There are very many things  
I would like to say to you  
But I've lost my way  
And I've lost my words  
There are very many places  
I would like to go but I  
Can't find the key  
To open my door  
The weight of my words  
You can't feel it anymore  
The weight of my words  
You can't feel it anymore  
There are very many ways  
I would like to break the spell  
You've cast upon  
Me 'Cause all the time  
I sacrificed myself  
To make you want, me  
Has made you haunt me  
The weight of my words  
You can't feel it anymore  
The weight of my words  
You can't feel it anymore  
The weight of my words  
You can't feel it anymore  
There are very many things  
I would like to say to you  
But I've lost my way  
And I've lost my words  
There are very many places  
I would like to go but I  
Can't find the key  
To open my door
