Comes a Time

Doc Walker

Comes a time when you're driftin'
Comes a time when you settle down
Comes a light feeling's liftin'
Lift that baby right up off the groundOh, this old world keeps spinning 'round
It's a wonder tall trees ain't layin' down
There comes a timeYou and I we were captured
We took our souls and we flew away
We were right, we were giving
That's how we kept what we gave awayOh, this old world keeps spinning 'round
It's a wonder tall trees ain't layin' down
There comes a time
Comes a time, comes a time
