In Love With The World

Aura Dione

You?re in love with a girl who?s in love with the world
And I all I wanna do is spend a little time with you
You spend all your time waiting
Told you right from the start that I'm no 9 to 5
I'm planning to stay, wish I could see you everyday
But I?m chasing a dream for a living
I?m not what you wanted you?re not what i needed
This love is a burden, my heart can't repeat it
I?ve been here before, gotta let you go
I believed in you and me
Hope to be everything you ever wanted
But you?re asking for more you?re too insecure
You?re in love with a girl who?s in love with the world
And I all I wanna do is spend a little time with you
You spend all your time waiting
Told you right from the start that I'm no 9 to 5
I'm planning to stay, wish I could see you everyday
But I?m chasing a dream for a living
You know it?s a fact that my suitcase is packed
And then I beg you to say that it?s ok
That I can go to the end of the world

And still be your girl
Call me on the phone say you hate to be alone
It?s my fault that you always cheated
I've been here before you?re too insecure
You?re in love with a girl who?s in love with the world
And I all I wanna do is spend a little time with you
You spend all your time waiting
Told you right from the start that I'm no 9 to 5
I'm planning to stay, wish I could see you everyday
But I?m chasing a dream for a living
Oh oh oh the world is calling
Oh oh oh the world is calling
The world is big enough for me
You?re in love with a girl who?s in love with the world
And I all I wanna do is spend a little time with you
You spend all your time waiting
Told you right from the start that I'm no 9 to 5

I'm planning to stay, wish I could see you everyday
But I?m chasing a dream for a living
You?re in love with the girl who?s in love with the world (x3)
