

# Gypsy Girl

Steven Tyler

I remember the leaves were gone  
And burning embers make for the sweetest songs  
Yeah, I can see the two of us living on dreams and dust  
Loving you was so unreal that I rememberShe was just a gypsy girl  
I was just a chance I wish she'd take  
Got into a lonely world, trying to belong  
Love is like a string of pearls  
While I was waiting for the strand to break  
From a thousand miles away  
Somehow we made it home  
Ahh ahh ahh ahh ahh  
Just a thousand miles away  
Ahh ahh ahh ahh ahhWayward travelers, stars get crossed  
Find out only after we were never lost  
I can see the two of us living on dreams and dust  
Loving you was so unreal that I rememberShe was just a gypsy girl  
I was just a chance I wish she'd take  
Got into a lonely world, trying to belong  
Love is like a string of pearls  
While I was waiting for the strand to break  
From a thousand miles away  
Somehow we made it home  
Ahh ahh ahh ahh ahh  
Just a thousand miles away  
Ahh ahh ahh ahh ahhJust a thousand miles away  
Ahh ahh ahh ahh ahh  
Just a thousand miles away  
Ahh ahh ahh ahh ahh  
Just a thousand miles awayShe was just a gypsy girl  
I was just a chance I wish she'd take  
Got into a lonely world, trying to belong  
Love is like a string of pearls  
While I was waiting for the strand to break  
From a thousand miles away  
Somehow we made it home  
Ahh ahh ahh ahh ahh  
Just a thousand miles away  
Ahh ahh ahh ahh ahhJust a thousand miles away  
Ahh ahh ahh ahh ahh

Just a thousand miles away

Ahh ahh ahh ahh ahh

Just a thousand miles away

Just a thousand miles away
