## 1000say

Midnight game in the dystopia  
Bloody skin on the winding road

Fly again enemy  
Paint it black "EXP"

Day by day...  
Step by step...  
No way !

Wandervogel hit it hit it murphy  
shoot it shoot it murphy  
Excellent excellent

Wandervogel hit it hit it murphy  
shoot it shoot it murphy  
LET IT DIE... LET IT LIVE !
