

# Invitation to the Blues

## Emmylou Harris & Rodney Crowell

I couldn't sleep last night, just walk the floor

Don't know how I'll stand this anymore

Lonely all the time since I lost you

Received your invitation to the bluesI don't know why you cause me such pain

I just hope I'll never go through this much again[Chorus]

Thanks for sending something I can't use

I received your invitation to the bluesYou took the laughter from this world of mine

Thanks to you the sun will never shine

Walked the floor so much, wore out my shoes

Received your invitation to the bluesI don't know why you cause me such pain

I just hope I'll never go through this much againLonely me, I don't know what to do

I received your invitation to the blues[Chorus]
