

My My Metrocard

Le Tigre

Off the pillow and into the air
I'm ready 'cause it's my day
Situation, it's all possible
Everything is going my way
My, my Metrocard
My, my Metrocard
My, my Metrocard
Think I'll go a little but then I gonna go far
Oh fuck, Giuliani
He's such, a fucking jerk
Shut down, all the stripbars
Workfare, does not work
My, my Metrocard
My, my Metrocard
My, my Metrocard
Think I'll go a little but then I gonna go far

Next stop, Atlantic Avenue
Next stop, Christopher Street
Next stop, transfer to the
Next stop, A, C, or E
My, my Metrocard
My, my Metrocard
My, my Metrocard
Think I'll go a little but then I gonna go far
Next stop, Atlantic Avenue
Next stop, Christopher Street
Next stop, transfer to the
Next stop, A, C, or E
My, my Metrocard
My, my Metrocard
My, my Metrocard
Think I'll go a little but then I gonna go far
