I'm Going Down

Sealove

Time on my hands since you've been away boy
I ain't got no plans no, no, no, no
And the sound of the rain, against my window pain
Is slowly, slowly driving me insane
Boy, I'm going down
I'm going down
'Cause you ain't around, baby
My whole world's upside down
Sleep don't come easy, boy, please believe me
Since you've been gone, everything's going wrong
Why'd you have to say goodbye?
Look what you've done to me
I can't stop these tears from falling from my eyes, oh baby
I'm going down
I'm going down
'Cause you ain't around, baby
My whole world's upside down

You ain't around going down
Ooh, baby I'm in love
Going down ooh yeah
I, I, I'm going down
I'm going down
'Cause you ain't around, baby
My whole worlds upside down
Going down, going down
Ooh, babe don't want believe
If I can't give my love to you
I'm so blue
Going down, going down
'Cause you ain't around baby, baby
Sorry, sorry, sorry, sorry, what did I do wrong?
Please forgive me, baby, and come on home
Going down, going down, going down
