If the Feeling Is Gone

Kyla

if the feeling is gone
please don't pretend
that you still love mei can see it in your eyes
and it hurts to admit it
i can tell that the feeling is goneall I ask is just a little honesty
though I know that you're not
coming back to meyou know I'll do anything to
make you stay
but I just have to let you go
if the feeling is gonethere's a sadness in your smile
though I try to conceal it
I can tell if the feeling is goneall I ask is just a little honesty
though I know that you're not
coming back to meyou know I'll do anything to
make you stay
but I just have to let you go
if the feeling is goneall I ask is just a little honesty
though I know that you're not
coming back to meyou know I'll do anything to
make you stay
but I just have to let you goI just have to let you go
I just have to let you go
if the feeling is gonestay..
