

Perfect World (Bofi Remix)

Gossip

Oh oh and I
I put a wish in
Made it my mission
To end the conflict
But oh
I put a wish in
Hoping you'd listen
By my accomplice
But ohhhRelax, its only dreaming facts
Giving way to feelings
No one ever stays long
its over when you wake up
So I knew that it was
in the Picture perfect world
We can be more than before
I said it was
I made it strongerFrom the beginning
My head was spinning
The perfect star
Oh a church
A place to fit in
A new religion
I found your heart
But oh ohRelax, its only dreaming facts
Giving way to feelings
no one ever stays long
its over when you wake up
So I knew that it was
in the Picture perfect world
we can be more than before
I said it was
I made it stronger
In a Picture perfect worldIn the Picture perfect world
we can be more than before
I said it was
I made it strongerDont get mad
You did your best
and now its
all in the past to stay

so I knew that it was
in the Picture perfect world
we can be more than before

I said it was
I made it stronger
in the Picture perfect world
we can be more than before

I said it was
I made it stronger
