

# Burning Of The Midnight Lamp

NguyÃ¡n LÃ¡

The morning is dead and the day is too  
There's nothing left here to lead me, but the velvet moon  
    All my loneliness I have felt today  
It's a little more than enough to make a man throw himself away  
And I continue to burn the Midnight Lamp, aloneNow the smiling portrait of you  
    is still hanging on my frowning wall  
It really doesn't, it really doesn't bother me too much at all  
It's just the eh ever falling dust that makes it so hard for me to see  
    That forgotten earring laying on the floor  
    Facing coldly towards the door  
And I continue to burn the Midnight Lamp, all alone  
    Burn!  
    Yeah, yeah  
    Lonely, lonely, lonely  
Loneliness is such a drag!So here I sit to face that same old fireplace  
    Getting ready for the same old explosion  
    Going through my mind  
    And soon enough the time will tell  
    About the circus in the wishing well  
    And someone who will buy and sell for me  
    Someone who will toll my bell  
And I continue to burn the same old lamp, alone  
    Yeah  
    Darling, can you hear me calling you?  
    So lonely  
    Gotto blow my mind  
    Yeah, yeah  
    Lonely, lonely . . .
