

# It's Tattoo Time

## Adolescents

The only difference between tattooed and non-tattooed people  
is that tattooed people don't mind if you're not tattooed! Since my first time under the gun

It seems I'm never, ever able to stop

Next time I think I'll go see Patti Laguna

One of the coolest lady's around Still, in some places its against the law

What's wrong with such a beautiful art?

Damn, I can't wait till the next convention

Show and be shown crucial tatt collections

Oh Yeah! [Chorus:]

When I get that itching?

Ya, Body starts a twitching?

Well, I jump on my bike

And I race to the Pike

'Cos It's tattoo time!

It's tattoo time! My homie's got his gun

He's gonna fill me full of ink

He's got the custom design

For life, it's gonna be mine!

It's tattoo time!

It's tattoo time! Yeah, when I get that urging?

Yeah, body starts a surging?

Well, I jump on my Harley

And I visit Ed Hardy

'Cause It's tattoo time!

It's tattoo time! Rob Roberts got his gun

He's gonna fill me full of ink

He's got the tribal design

For life, its gonna be mine!

'Cos it's tattoo time!

It's tattoo time! My old lady's name is tacked on my arm

But we've long ago since broken up

Gonna take my problem to good ol' Kari

I know she'll do an Award-Winning cover-up Checking all the flesh hanging in the parlors

Marks that make us stand out in crowds

I really take pride in my skin illustrations

Unite and be proud, for we're the tattooed generation

Oh yeah! [Chorus] Well come on everybody, let's get a tattoo!

(Mahoney's Tattoo solo played on Rikk's arm) [Chorus]

(It's tattoo time, It's tattoo time)
